

House Appropriations Committee
Markup of FY 2012 Financial Services and General Government Appropriations Bill
D.C. Abortion Funding Ban

On June 23, 2011, the House Appropriations Committee approved the Fiscal Year 2012 Financial Services Appropriations Bill. As reported from subcommittee, the bill included the prohibition on the use of all appropriated funds, federal and local, for abortion in the District of Columbia, except to save the mother's life or in case of rape or incest (Sec. 810). This provision was part of the Fiscal Year 2011 appropriations law.

In full committee, Rep. Barbara Lee (D-CA) introduced an amendment to allow local public funds to be used to pay for elective abortions. *The amendment was rejected, 20-yes, 27-no. "No" was the pro-life vote.*
